Connectors for electronic equipment - Product requirements

Part 2-113: Circular connectors - Detail specification for connectors with M12 screw locking with power and signal contacts for data transmission with frequency up to 100 MHz (IEC 61076-2-113:2017)

National foreword

This British Standard is the UK implementation of EN 61076-2-113:2017. It is identical to IEC 61076-2-113:2017.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
