

BS EN 61099:2010

BSI Standards Publication

Insulating liquids — Specifications for unused synthetic organic esters for electrical purposes

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 61099:2010. It is identical to IEC 61099:2010. It supersedes BS EN 61099:1992 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/10, Fluids for electrotechnical applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
