National foreword

This British Standard is the UK implementation of EN 61158-2:2014. It is identical to IEC 61158-2:2014. It supersedes BS EN 61158-2:2010 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AMT/7, Industrial communications: process measurement and control, including fieldbus.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
