

BSI Standards Publication

**Aerospace series — Fitting end,
24° internal cone, external
thread, flareless type — Extra
fine thread pitch — Inch series
— Design standard**

National foreword

This British Standard is the UK implementation of EN 6123:2016.

The UK participation in its preparation was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
