devices (SMD) for frequency
control and selection —
General rules**

National foreword

This British Standard is the UK implementation of EN 61240:2017. It is identical to IEC 61240:2016. It supersedes BS EN 61240:2012 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/49, Piezoelectric devices for frequency control and selection.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
