

Materials for printed boards and other interconnecting structures —

**Part 4-1: Sectional specification set for prepreg materials, unclad (for the manufacture of multilayer boards) —
Epoxide woven E-glass prepreg of defined flammability**

ICS 31.180

National foreword

This British Standard is the UK implementation of EN 61249-4-1:2008. It is identical to IEC 61249-4-1:2008.

The UK participation in its preparation was entrusted to Technical Committee EPL/501, Electronic assembly technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2008
