National foreword

This British Standard is the UK implementation of EN 61280-2-3:2009, incorporating corrigendum March 2010. It is identical to IEC 61280-2-3:2009. It supersedes BS EN 61280-2-5:1998 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee GEL/86, Fibre optics, to Subcommittee GEL/86/3, Fibre optic systems and active devices.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
