

BSI Standards Publication

Fibre optic interconnecting devices and passive components — Basic test and measurement procedures

Part 2-55: Tests — Strength of mounted adaptor

National foreword

This British Standard is the UK implementation of EN 61300-2-55:2017. It is identical to IEC 61300-2-55:2017.

The UK participation in its preparation was entrusted to Technical Committee GEL/86/2, Fibre optic interconnecting devices and passive components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
