

## BSI Standards Publication

**Aerospace series – Rod-end, with bearing per  
EN 6096, with self-lubricating liner in corrosion  
resisting steel, extra wide inner ring, external  
threaded shank – Dimensions and loads – Inch series**

---

# National foreword

This British Standard is the UK implementation of EN 6133:2019.

The UK participation in its preparation was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
