raising standards worldwide™

National foreword

This British Standard is the UK implementation of EN 61394:2011. It is identical to IEC 61394:2011, incorporating corrigendum August 2012. It supersedes PD IEC 61394:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/7, Overhead electrical conductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
