

BSI Standards Publication

Wind turbines

Part 22: Conformity testing and certification

National foreword

This British Standard is the UK implementation of EN 61400-22:2011, incorporating corrigendum April 2020.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by CENELEC corrigendum April 2020 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee PEL/88, Wind turbines.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
