

BSI Standards Publication

Aerospace series — Plug, protective, non-metallic, for EN 6123 fitting ends

National foreword

This British Standard is the UK implementation of EN 6141:2020.

The UK participation in its preparation was entrusted to Technical Committee ACE/69, Aerospace hydraulic systems, fluids and components.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
