BSI Standards Publication

Mathematical expressions for reliability, availability, maintainability and maintenance support terms

National foreword

This British Standard is the UK implementation of EN 61703:2016. It is identical to IEC 61703:2016. It supersedes BS EN 61703:2002, which will be withdrawn on 16 September 2019.

The UK participation in its preparation was entrusted to Technical Committee DS/1, Dependability.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
