National foreword

This British Standard is the UK implementation of EN 61747-5-2:2011. It is identical to IEC 61747-5-2:2011

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
