

Nuclear power plants — Design of control rooms — Functional analysis and assignment

ICS 27.120.20; 29.120.10

National foreword

This British Standard is the UK implementation of EN 61839:2014. It is identical to IEC 61839:2000. It supersedes BS IEC 61839:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NCE/8, Reactor instrumentation.

A list of organizations represented on this committee can be obtained on request to its secretary.

The publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Engineering Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 November 2000
