National foreword

This British Standard is the UK implementation of EN 61857-22:2008. It is identical to IEC 61857-22:2008. It supersedes BS EN 61857-22:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/112, Evaluation and qualification of electrical insulating materials and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
