The European Standard EN 61857-23:2002 has the status of a  
British Standard

ICS 29.080.30

# National foreword

This British Standard is the official English language version of EN 61857-23:2002, including Corrigendum March 2003. It is identical with IEC 61857-23:2002.

The UK participation in its preparation was entrusted to Technical Committee GEL/98, Electrical insulation systems, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
