

BS EN 61882:2016

BSI Standards Publication

Hazard and operability studies (HAZOP studies) — Application guide

National foreword

This British Standard is the UK implementation of EN 61882:2016. It is identical to IEC 61882:2016. It supersedes BS IEC 61882:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee DS/1, Dependability.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
