National foreword

This British Standard is the UK implementation of EN 61935-3:2009. It was derived by CENELEC from IEC 61935-3:2008.

The CENELEC common modifications have been implemented at the appropriate places in the text and are indicated by tags (e.g. **[C]** **[C1]**).

The UK participation in its preparation was entrusted to Technical Committee EPL/46, Cables, wires and waveguides, radio frequency connectors and accessories for communication and signalling.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
