National foreword

This British Standard is the UK implementation of EN 61984:2009. It is identical to IEC 61984:2008, incorporating corrigendum October 2011. It supersedes BS EN 61984:2001 which is withdrawn.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by IEC corrigendum October 2011 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
