

BSI Standards Publication

Product package labels for electronic components using bar code and two-dimensional symbologies (IEC 62090:2017)

National foreword

This British Standard is the UK implementation of EN 62090:2017. It is identical to IEC 62090:2017. It supersedes BS EN 62090:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/501, Electronic Assembly Technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
