

BS EN 62109-2:2011

BSI Standards Publication

Safety of power converters for use in photovoltaic power systems

Part 2: Particular requirements for inverters

National foreword

This British Standard is the UK implementation of EN 62109-2:2011. It is identical to IEC 62109-2:2011.

The UK participation in its preparation was entrusted to Technical Committee GEL/82, Photovoltaic Energy Systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
