

BS EN 62208:2011

BSI Standards Publication

Empty enclosures for low-voltage switchgear and controlgear assemblies — General requirements

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62208:2011. It is identical to IEC 62208:2011. It supersedes BS EN 62208:2003, which will be withdrawn on 23 September 2014.

The UK participation in its preparation was entrusted by Technical Committee PEL/17, Switchgear, controlgear, and HV-LV co-ordination, to Subcommittee PEL/17/3, Low voltage switchgear and controlgear assemblies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
