

BS EN 62231-1:2016

BSI Standards Publication

Composite station post insulators for substations with AC voltages greater than 1 000 V up to 245 kV

Part 1: Dimensional, mechanical and
electrical characteristics

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62231-1:2016. It is identical to IEC 62231-1:2015.

The UK participation in its preparation was entrusted to Technical Committee PEL/36, Insulators for power systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
