

Semiconductor die products —

Part 5: Requirements for information concerning electrical simulation

The European Standard EN 62258-5:2006 has the status of a
British Standard

ICS 31.080.99

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 62258-5:2006. It is identical with IEC 62258-5:2006. It supersedes PD ES 59008-4-4:2000, which will be withdrawn on 1 September 2009.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on EPL/47 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2006
