Part 1: General specification

The European Standard EN 62317-1:2007 has the status of a British Standard

ICS 29.100.10

National foreword

This British Standard is the UK implementation of EN 62317-1:2007. It is identical to IEC 62317-1:2007

The UK participation in its preparation was entrusted to Technical Committee EPL/51, Transformers, inductors, magnetic components and ferrite materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 September 2007
