raising standards worldwide™

National foreword

This British Standard is the UK implementation of EN 62321:2009. It is identical to IEC 62321:2008.

The UK participation in its preparation was entrusted to Technical Committee GEL/111, Electrotechnical environment committee.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
