

Modular component interfaces for surface-mount fluid distribution components —

Part 1: Elastomeric seals

The European Standard EN 62339-1:2007 has the status of a British Standard

ICS 23.040.80; 25.040.40

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 62339-1:2007. It is identical with IEC 62339-1:2006.

The UK participation in its preparation was entrusted by Technical Committee GEL/65, Measurement and control, to Subcommittee GEL/65/4, Process instruments for gas and liquid analysis.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2007
