

Radiation protection instrumentation — Portable photon contamination meters and monitors

ICS 13.280

National foreword

This British Standard is the UK implementation of EN 62363:2011. It is identical with IEC 62363:2008. It supersedes BS IEC 62363:2008, which is withdrawn.

The CENELEC common modifications have been implemented at the appropriate places in the text. The start and finish of each common modification is indicated in the text by [C] <C] tags.

The UK participation in its preparation was entrusted to Technical Committee NCE/2, Radiation protection and measurement.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
