

BS EN 62382:2013

BSI Standards Publication

Control systems in the process industry — Electrical and instrumentation loop check

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62382:2013. It is identical to IEC 62382:2012. It supersedes BS EN 62382:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AMT/7, Industrial communications: process measurement and control, including fieldbus.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
