

BSI Standards Publication

Specification for dedicated LPG appliances — Room sealed LPG space heating equipment for installation in vehicles and boats

National foreword

This British Standard is the UK implementation of EN 624:2011. It supersedes BS EN 624:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GSE/24, Dedicated LPG appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
