

BS EN 62415:2010

BSI Standards Publication

Semiconductor devices – Constant current electromigration test

National foreword

This British Standard is the UK implementation of EN 62415:2010. It is identical to IEC 62415:2010.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
