

BSI Standards Publication

Type F and type B residual current operated circuit-breakers with and without integral overcurrent protection for household and similar uses

National foreword

This British Standard is the UK implementation of EN 62423:2012+A11:2021. It is derived from IEC 62423:2009, incorporating corrigendum December 2011. It supersedes BS EN 62423:2012, which will be withdrawn on 8 March 2024.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by IEC corrigendum December 2011 is indicated in the text by AC1 AC1.

The CENELEC common modifications have been implemented at the appropriate places in the text. The start and finish of each common modification is indicated in the text by C C.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to text carry the number of the amendment. For example, text altered by CENELEC amendment A11 is indicated by A11 A11.

The UK participation in its preparation was entrusted to Technical Committee PEL/23/1, Circuit breakers and similar equipment for household use.

A list of organizations represented on this committee can be obtained on request to its secretary.
