

BS EN 62444:2013

BSI Standards Publication

Cable glands for electrical installations

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62444:2013. It is identical to IEC 62444:2010. It supersedes BS EN 50262:1999 which is withdrawn.

The CENELEC common modifications have been implemented at the appropriate places in the text. The start and finish of each common modification is indicated in the text by **[C]** **[C]**.

The UK participation in its preparation was entrusted to Technical Committee PEL/213, Cable management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
