

BSI Standards Publication

Radiation protection instrumentation — Highly sensitive hand-held instruments for neutron detection of radioactive material

National foreword

This British Standard is the UK implementation of EN 62534:2015. It is identical to IEC 62534:2010. It supersedes BS IEC 62534:2010 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NCE/2, Radiation protection and measurement.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
