

BS EN 62535:2009

Incorporating corrigendum February 2011

BSI Standards Publication

Insulating liquids — Test method for detection of potentially corrosive sulphur in used and unused insulating oil

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62535:2009. It is identical to IEC 62535:2008.

The UK participation in its preparation was entrusted to Technical Committee GEL/10, Fluids for electrotechnical applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
