

BSI Standards Publication

Methods of measurement for digital network — Performance characteristics of terrestrial digital multimedia transmission network

NO COPYING WITHOUT BSI PERMISSION EXCEPT AS PERMITTED BY COPYRIGHT LAW

National foreword

This British Standard is the UK implementation of EN 62553:2013. It is identical to IEC 62553:2012.

The UK participation in its preparation was entrusted to Technical Committee EPL/103, Transmitting equipment for radio communication.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
