Overhead lines — Methods for testing self-damping characteristics of conductors

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62567:2013. It is identical to IEC 62567:2013.

The UK participation in its preparation was entrusted to Technical Committee GEL/7, Overhead electrical conductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
