Fibre optic active components and devices — Reliability standards

Part 3: Laser modules used for
telecommunication

National foreword

This British Standard is the UK implementation of EN 62572-3:2016. It is identical to IEC 62572-3:2016. It supersedes BS EN 62572-3:2014 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee GEL/86, Fibre optics, to Subcommittee GEL/86/3, Fibre optic systems and active devices.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
