

BS EN 62616:2010

Incorporating corrigendum July 2012

BSI Standards Publication

Maritime navigation and radiocommunication equipment and systems — Bridge navigational watch alarm system (BNWAS)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62616:2010. It is identical to IEC 62616:2010, incorporating corrigendum July 2012.

The UK participation in its preparation was entrusted to Technical Committee EPL/80, Maritime navigation and radiocommunication equipment and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
