Programmable components in electronic lamp controlgear – General and safety requirements (IEC 62733:2015)

National foreword

This British Standard is the UK implementation of EN 62733:2015, including corrigendum AC:2017. It is identical to IEC 62733:2015, including corrigendum 1:2017.

The text of IEC corrigendum 1:2017 has been provided in its entirety at the beginning of this document. BSI's policy of providing consolidated content remains unchanged; however, in the interest of expediency, in this instance BSI have chosen to collate the relevant content at the beginning of this document.

The UK participation in its preparation was entrusted to Technical Committee CPL/34/3, Auxiliaries for lamps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
