Test method for erosion of wave soldering equipment using molten lead-free solder alloy

Part 2: Erosion test method for metal
materials with surface processing

National foreword

This British Standard is the UK implementation of EN 62739-2:2016. It is identical to IEC 62739-2:2016.

The UK participation in its preparation was entrusted to Technical Committee EPL/501, Electronic Assembly Technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
