

BS EN 62798:2014

Incorporating corrigendum November 2014

BSI Standards Publication

Industrial electroheating equipment — Test methods for infrared emitters

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62798:2014. It is identical to IEC 62798:2014, incorporating corrigendum November 2014.

The UK participation in its preparation was entrusted to Technical Committee PEL/27, Electroheating.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
