Electric welding equipment — Assessment of restrictions related to human exposure to electromagnetic fields (0 Hz to 300 GHz)

Part 2: Arc welding equipment

National foreword

This British Standard is the UK implementation of EN 62822-2:2016. It is identical to IEC 62822-2:2016.

The UK participation in its preparation was entrusted to Technical Committee WEE/6, Electric arc welding equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
