

BSI Standards Publication

**Surface cleaning appliances —
Floor treatment machines
with or without traction drive,
for commercial use —
Methods of measuring
the performance**

National foreword

This British Standard is the UK implementation of EN 62826:2014. It is identical to IEC 62826:2014.

The UK participation in its preparation was entrusted by Technical Committee CPL/59, Performance of household electrical appliances, to Subcommittee CPL/59/6, Floor treatment appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
