

BSI Standards Publication

Methods of measuring performances of electric hair clippers or trimmers for household use

National foreword

This British Standard is the UK implementation of EN 62863:2017. It is identical to IEC 62863:2017.

The UK participation in its preparation was entrusted to Technical Committee CPL/59, Performance of household electrical appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
