

BSI Standards Publication

Multimedia systems and equipment — Multimedia e-publishing and e-book technologies — Printing specification of texture map for auditory presentation of printed texts

National foreword

This British Standard is the UK implementation of EN 62875:2015. It is identical to IEC 62875:2015.

The UK participation in its preparation was entrusted to Technical Committee EPL/100, Audio, video and multimedia systems and equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
