

BS EN 62911:2016

BSI Standards Publication

**Audio, video and information
technology equipment —
Routine electrical safety
testing in production**

National foreword

This British Standard is the UK implementation of EN 62911:2016. It is identical to IEC 62911:2016. It supersedes BS EN 50514:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/108, Safety of electronic equipment within the field of audio/video, information technology and communication technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
