

BSI Standards Publication

**Maritime navigation and
radiocommunication
equipment and systems —
Integrated communication
system (ICS) — Operational
and performance requirements,
methods of testing and
required test results**

National foreword

This British Standard is the UK implementation of EN 62940:2017. It is identical to IEC 62940:2016.

The UK participation in its preparation was entrusted to Technical Committee EPL/80, Maritime navigation and radiocommunication equipment and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
