# **Glass in building — Determination of thermal transmittance (U value) — Calculation method**

**National foreword**

This British Standard is the UK implementation of EN 673:2011. It supersedes BS EN 673:1998, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/520/4, Properties and glazing methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
